President's Message

Peter Arcidiacono 394-1136 peterarchie@comcast.net
www.MarcoSportfishingClub.com

HAPPY HOLIDAYS TO ALL!

Welcome back to those of you who just returned. You are in for good fishing and lots of fun.

Once again I thank our members who helped out with the tournament: Gene Stillwell, Tim and Joan Kenny for putting together a great awards picnic and Mike Levine who was our statistician for the event.

For those not here, our tournament was a tremendous success! We had lots of participation and tons of fun. If you haven't done so already, check out the pictures on our web site (www.marcofishingclub.com). We are currently working on another tournament to be held in a couple of months.

December is Pompano Month! The largest pompano that is caught and called into Seaweed gets the prize: a \$25.00 gift certificate. Please remember, in case of a tie, the 1st fish called in wins. Only call in a fish that is at least the minimum legal size. If no fish-of-the-month is caught, the prize will be rolled to the next month.

Please keep in mind that the event planned for February is DEAL OR NO DEAL. If any member wants to sell "experienced" fishing or small boating equipment sign up and get a table reserved. Our previous tag sales have been a success and we expect no less from this one. The meeting on that day will start early, so stay tuned for additional information as it develops. ANY MEMBER WANTING INFO OR TO

RESERVE A TABLE CALL PETE A., RON G. OR SEAWEED.

We are currently selling hats, and soon, T-shirts. Frank Sroka, our quartermaster, will be taking orders at the December meeting

We need more pictures! I can no longer stand seeing John Cavanagh with those monster fish on our web site home page. Someone PLEASE catch a big fish and mail in the photo.

Check out our website, www.marcofishingclub.com

It is DUES time again. December is the final month. A dues invoice is included here. Please pay now, thanks.

As always, comments and suggestions are welcomed

Notice: the speaker for our December meeting is Capt Ken Chambers who will be briefing us on backwater fishing during the winter months.

On behalf of the Board we would like to wish all of you a healthy and happy holiday season.

Remember, the weather is getting cooler, wear a sweater to happy hour.

GO FISHING! Peter Arcidiacono

NEWSLETTER OPTION

Congratulations to Ed Crane for creating and maintaining the MSC web site. Now, among many other outstanding features at the site (www.marcosportfishingclub.com) you can see the latest edition of *The MSC Newsletter* **before** it gets to the printer, at your convenience, from an online computer, anywhere. The website also maintains a library of current and previous newsletter editions that you may search at your convenience.

If approved, you will have an option to continue to receive *The MSC*

Newsletter either by snail-mail or to switch to electronic delivery only. The good news is, if enough members opt to receive the newsletter electronically instead of by old fashioned snail-mail, MSC will save, literally, no joke, no exaggeration, more than a thousand dollars a year of your money. This means more money to spend on making your club better, instead of paying postage.

Please take the time to participate in this very important survey. Your thinking is very important to your Board of Directors. Call Perry @ 394-8038 or email your comments to PTLondon@earthlink.net
