President's Message

February '07 and we should be at full swing by now! I have been hearing that the fishing in the gulf is picking up (when the weather permits). So what are you waiting for? Pick up the phone, make arrangements with a buddy, go fishing and take pictures (we need them).

This month starts our busy season and the new Board of Directors is off and running to make this one great. To start with, our picnic - the "FEBREWFEEST 2" is back by popular demand. Don't miss it! At this picnic, we will be presenting the awards for the annual fish tournament. Support your club and cheer on the winners.

At our general meeting on FEBRUARY 1st, WITH A SPECIAL START TIME OF 6:00 PM, we are having our third "experienced" and new equipment sale called DEAL OR NO DEAL. Bring some cash and be prepared for some great deals on fishing stuff! As of the 2nd week in January we have commitments from new tackle vendors to display and sell top quality stuff at very appealing prices. IF YOU WANT OR NEED FISHING EQUIPMENT, SHOW UP FEB 1 AT 6:00 PM.

The March meeting event is still up in the air. If you have an idea, email or call a board member and we will do our best to pull it off.

I would like to mention what is in the works for the coming months. Seaweed is working on an intra-club tournament to be held ASAP so all could participate. This type of event is not so easy to do alone and he needs help (in more ways than one). Volunteers are needed for the following: cooking at picnics, helping with record keeping and finances,

figuring out prizes and a few others. Whether you fish or not, its fun to participate.

Speaking of volunteers, we are looking for a couple of special people to work with a board member to determine a fund raising project. WE REALLY COULD USE YOUR HELP. If you are interested, contact any board member.

Our picnics should have an added flare. We are planning to have casting contests or bocce tournaments. Both with prizes. Dave Walsh suggested lawn darts, but that was immediately turned down. Way too much beer! Someone will end up going home with an embedded lawn dart somewhere.

I announced at the last meeting that the FISH OF THE MONTH for February would be sheepshead and I was wrong (can you believe it). The correct species is SEATROUT. Sorry for the confusion. So just for clarification, the January FISH OF THE MONTH WAS SHEEPSHEAD (for which there was a \$50. gift certificate as a prize) and February will be SEATROUT (that will be \$25 prize providing someone wins Jan.)

Would you like to go to the Miami Boat Show? If so, contact Larry Block, President of Naples Fishing Club and sign up for the bus trip. Leave all the driving hassles behind and have a good time. Larry can be emailed at larry@blockandblock.com or call 239-455-2801; it will be Sunday Feb 18.

OK, I'm done; see you all on the 1st
Regards, Peter Arcidiacono

To get more action out of plastic curl tails, rig them upside down on the jig. The natural curl portion and hook should be facing the same direction. You can also use nail clippers to take a chunk out of the widest part of the curl. Have fun. Try it. Let me know how you make out.
