### *President's Message:*

Spring is here and the fishing should really turn on! So, what are you waiting for? Call a buddy and go fishing.

Once again Dave and Susie Walsh produced an outstanding St. Patty's Day picnic. Eighty people attended. We had a fun casting contest as well. The contest was a big hit and there was lots of participation and lots of laughs. I am proud to announce our World Champion Caster is Jim Mueller. Jim won some pretty nice prizes: a fishing rod and tackle bag. I am sure there will be many more people looking to oust Jim's reign as casting king at the next event.

Speaking of contests and events, I would like to acknowledge Dave "Seaweed" Totos. Believe it or not it takes quite a bit of work to develop, plan and implement these little added attractions to an already great event. Seaweed puts 110% into this club and I would like him to know it does not go unnoticed. Dave is currently working on our intra-club tournament, *SOMETHING FISHY 2*, to be held in the fall. He is looking for committee members and tournament help. So please let him know if you are interested because this event will take a couple of months of planning.

At our meeting in April we will have a speaker from the Florida Fish and Wildlife who will explain to us their *redfish* restoration project. This will be very informative and interesting. We are inviting other clubs and some of the local guides. The

meeting will start at the regular time 7:00 PM. Please don't be late.

Seaweed has lined up Bryan Fluech, the Collier County Sea Grant Extension Agent, for the May meeting. He will instruct us on the proper way to vent fish that we catch to insure a better survival rate. This is going to be a good one for all of us who fish off shore.

I need to apologize to Werner Wackerman for not recording his 27 1/2" yellow tail back in December. I am also correcting the 2006 Leader Board and installing Werner as the winner of that species.

Stay tuned to the website or newsletter for upcoming fishing events and contests. I hear that we may have a kingfish tourney. Get ready.

As always, your ideas for events, fund-raisers or for general betterment of the club are appreciated.

**DON'T FORGET** to purchase Marco Sportfishing Club hats and shirts before you go north. They make great gifts for all occasions.

Remember, keep your shrimp out of the sun.

Regards, Peter Arcidiacono
