# MSC Newsletter May 2008

*Dedicated to fishing in and around Collier County*

**Peter Arcidiacono, President 394 -1136 peterarchie@comcast.net**

## President's Message

Well, the season is over and we had a great time! Great picnics, entertaining meetings, fishing days with lots of participation, not to mention massive consumption of chicken wings at fishtails. In the next few months, we will start to work on having an even better year in 2009.

The 2008 events are far from over. Coming up next is "SINKO DE LURO" our Second Annual casting contest to be held at the "Cinco de Mayo" picnic (check newsletter for details). So start practicing and get ready to go up against last years winners.

Our backwater day last month showed some promise for the coming months. Big Mac landed a 33" snook, Jim Mueller's boat caught snook and trout and my boat got a red, snook and trout. Things will only get better. The next backwater trip will be on May 5<sup>th</sup>. It will be captain's choice.

On May 15<sup>th</sup> Al Musico (Al) is planning another *NITE BITE* for snapper. There will be more information regarding this at *FISHEADS* on May 1<sup>st</sup>.

The planning has started for the redfish fall tournament: "SOMETHING'S FISHY, THE TRILIOGY". I understand it will be in October. It will be a team format as before. Start getting in condition for the event. If you decide not to participate in the fishing portion of this event but would like to help out in other areas, please let us know. We could use the help.

Here is the Kingfish Klash report that came from Al:

We had a good turnout for the *Kingfish Klash* with 6 boats traveling to the Peg Leg. We had a few runoffs which were probably Kings, but none in the boat. The day was saved with a bunch of large Lane Snappers, a couple of keeper Gag Grouper and Nurse and Lemon Sharks that provided some excitement. Bryan Mordecai brought a 6 ft Nurse Shark onto the boat and Frank Sroka discovered that Lemon Sharks take the phrase 'Bite Me' rather literally. The day was wrapped up with beer, peppers and sausage at Sarazen Park and a bunch of tired fishermen.

Within a month or two we will be sending out our roster, by-laws and budget. If you currently receive *The Newsletter* electronically, we will email the files to you. If receive *The Newsletter* through snail-mail, we will snail-mail the stuff to you.

I want to make one final note as the season winds down. As some of our board members go north, we could use help to fill in those positions for a couple of months. If you feel the urge to help out, just let us know.

Remember, be nice to your shrimp and they will be nice to you.

See ya' at the bait shop.  
Regards, Peter
