On May 12th, our Board member Tom Johnson passed away due to complications from a heart attack. Tom was an active, involved person with our club. He truly enjoyed the sport. On behalf of the club, we extend our condolences to the Johnson Family. He will be missed by all

The President's Message

June's meeting will be very important to all of us. We will have a physician and nurse speaking on medical awareness issues that we should know while out on our boats. Please don't miss this. Bring a friend.

Also in June, we will be having our "NO BAIT" tournament. This should prove to be very interesting and challenging. So all you X-bass fisher people better dust off your crank and top water baits and see if you still have the touch. Hopefully, at fish-heads some of us will be displaying different types of plugs and jerk baits that can be used in this situation. If any of you wish to share your favorite lure, please bring it to fish-heads and show people like me how to fish without tipping or scented baits.

The picnic in June is scheduled for the 25th. We need some people willing to run the event because Dave Walsh will not be here. Please understand that summer picnics don't have to be big gala affairs like the Walsh's put on. Small and simple is fine. So please help out. I guarantee that there will

be tons of helpers.

As you know, club members have wide interests in outdoor sports. From time to time, club general meetings have been used to make announcements to assist organizing independent activities such as scuba diving in the Keys. In response to the interest of several members, individuals will be making announcements at club general meetings relating to organizing sport shooting. That is sporting clays, trap and skeet. These events will be independently organized and each will pay his/her own expenses. Please contact Mike Assaf (mva34145@hotmail.com) if you're interested in participating.

We have some concepts working for the summer meetings. One is "TRUE CONFESSIONS". Any member who wishes to share their expertise in some facet of fishing will have the opportunity to speak at the meeting for a couple of minutes. Like an open mic night. This will be scheduled for July.

Now that dues collection is over, be on the lookout

for your copy of the final 2008 roster. It will come to you via email, if that is the way you have chosen to receive *TheMSC Newsletter*. The automatic alternative is snail mail.

IMPORTANT; Anyone wanting to go on an off shore charter with Jody on the "Wise Guy" please speak up now. We have openings in the last week of June for 4 or 6 anglers. The price is \$1400 per day to be split up and the anglers can discuss what they would like to fish for. If there are more than 6 anglers who want to go, we will get more boats. This will apply to backwater trips as well. This is a new thing. The club will book charters throughout the year; as long as there are interested people. Please contact me via email or the cell # on the cover of *The MSC Newsletter*.

At the price of fuel, this is a good idea. Furthermore, we **SHOULD** support our local professionals. Remember in this heat, fish early and go to happy hour early!

See ya' at the bait shop. Regards, Peter
