The President's Message

Ed Note: Thank you Dave "Seaweed" Totos for pitching in to fill this space while Pete is away.

This year may be coming to an end, but that is on paper only. MSC still has many events and things to do. *Half Way to Mexico* and *Spousal Abuse* are just a few outings that are coming up. Also there are the *Mystery Meat* and *Cuban picnics*. Hmmmm . . . *Mystery Meat*, if you guess what it is you do not have to pay? I do not know, let's ask Dave Walsh. No matter what, it will be a great event. That is for sure!

The 2009 calendar of events is filling in with both old and new ideas. If there is anything that you liked or did not like about 2008 for any reason, let the Board of Directors know.

Speaking of the Board of Directors, four of the present board members will be stepping aside at the end of December. This annual change is good because the club needs to keep growing with new ideas.

The search committee, chaired by Al Musico, needs to hear from you. You may sign up to be nominated to the board or nominate someone who you think will do a good job. Now is the time to do so. The new nominees for board members will be introduced at the December MSC meeting. The vote to elect the 2009 MSC Board of Directors will be held at the January 2009 general meeting.

We Welcome New Members

Use of the website is the preferred reporting method since it will time stamp all entries and automatically send you an email confirmation. .Here are some pictures from our fishing trip. We were at the R tower about 28 miles west of Marco. We landed 2 Permit....Frank's was 25" mine was 28 1/2 ". I've never caught a Permit before, we were free lining near the base of the tower with little crabs that we caught as they came passed the boat. It was quite a fight to land this fish.....Bert
