*Dedicated to fishing in and around Collier County*

## President's Message

## October 2010

**October appears to be pretty busy for a slow month!**

By now **REDFISH V** is off and running and as I write this we have close to 50 participants.

That's great!

**Kick off** for the event will be an October 12<sup>th</sup> Captains meeting at Porky's where the rules of engagement will be laid out. The 13<sup>th</sup> is your day to plot and plan. Next, 2 days of intense fishing (intense by our standards) with corresponding fishtails, naturally, and culminating with our awards picnic which we encourage all to attend for a mere 10 bucks per person.

Our October meeting will feature **Capt. Jay Peeler, he will be explaining where and how to look for redfish habitat and be answering any questions we may have regarding redfish.** I understand Seaweed will have a "Must have" selection of Redfish tackle should any need to do some shopping. As a bonus some of our Backwater angler will bring a sampling of equipment used for this application.

The doors for this meeting will open early so that the Redfish committee can pick the teams, this will be done then to ease

confusion at the Captains' meeting on the 12<sup>th</sup>. I am encouraging all or any participants to be there for the choosing.

**We will NOT have a regular meeting on December 2<sup>nd</sup>** due to Hanukkah instead we are having our first holiday gathering on December 8<sup>TH</sup> A Wednesday.

This affair will give us all an opportunity get together wish everyone the best. This is a co-ed affair. Details will follow soon.

**Many of us are receiving emails claiming that someone we know is in trouble** in some foreign land and there is a request for money.

**This contains a virus, which, if opened or replied to may invade your address book.** Delete it immediately. Even if you forward it or reply you put yourself and your friends at risk. This is a nasty virus, and it's going around the club.

Please remember, you can't catch fish with a dull hook or mind.

See ya' at the bait shop.

*Pete*

### **HEADS UP ON NEW APPLICATION**

Our new (and better) insurer has suggested we consider a waiver to protect the club officers and captains from lawsuit. It's a good idea as we get many new members each year. At renewal- ALL members will have to sign a waiver on the back of the renewal dues notice. Please watch for it.

### **SHOOTING**

The club **DOES NOT** sponsor or sanction shooting events, but many of our members are shooters and get together regularly to shoot. We have guys shooting trap, skeet and sporting clays at Port of the Islands, Pistol packers that shoot both indoors in Naples and Outdoors at POI. We even have a few riflemen that target shoot too. If you are interested, bring the right equipment with you this season.

### FISH OF THE MONTH AND LEADER BOARD RULES\*

**Fish either gulf or backwater, anytime, for any species.** Fish must be caught on hook and line within 60nm of Marco, no charters, and use of guides is prohibited. All fish must be either boated, or immobilized alongside the boat and measured with a tape or ruler. Swim by guesstimates are not accepted. Fish are to be measured either with pinched tails or fork length as per FWC size limit rules. Fish not specified as pinched length will be measured to fork length (e.g. shark).

Use MSC Website, [www.MarcoSportfishingClub.com](http://www.MarcoSportfishingClub.com), to report your catch. In case of a tie, the first entry reported will win. Use of the website is the preferred reporting method since it will time stamp all entries and automatically send you an email confirmation. Entries reported by other means will be recorded when they are received and acknowledged, not when they are sent. If you do not have access to the website, you can send your entry to [alanmusico@embarqmail.com](mailto:alanmusico@embarqmail.com) or call 239-642-9729. The following information is needed: Name, Email Address (or phone number), Species, Size in Inches, Bait or Lure Used, Location (ex. Cape Romano, 5Mile Reef etc.), Fishing Method (ex. Casting, Drifting, Anchored, Chumming etc.), Tide (ex. Incoming, Outgoing etc.). Entries with incomplete or missing information will not be eligible. Entries are counted toward both contests.

**Entries must be reported by 12 Noon on the 1<sup>st</sup> day of the month following the catch.** Winners of both the Fish of the Month Contest and the new Leader Board entries will be announced at the following Monthly Me

Details of each catch are available on the website including method, bait, location, tides etc. Learn how the *experts* fish.
