President's Message

March 2011

I am starting this message with sad news. Paul Pransky, fellow member and friend, has passed due to complications from an illness. On behalf of our club I would like to extend our condolences to his family.

He will be missed.

Well, here we are in full blown season and the club is full of activities.

Our club has been called upon to help the kids out in a couple of events, Goodland's birthday bash and the Naples Kid's fishing day. Both of these events we will provide fishing education to the kid's. Please consider volunteering since we could use the help. Howard Laskau is organizing the troops; if you are interested just email him at hlaskau@comcast.net. Goodland's event is March 12 is from 11 to 2:30 pm. The Naples Kid's Fishing Clinic is April 30 for rod rigging and May 7 at the Naples Pier.

Our World renown "MARCH MADDNESS TROUT TOURNAMENT" is March 18th (ignore web site date); the details will be provided at the meeting. Off Shore event, "NEW SALT & OLD SALT", is where experienced captains team up with new captains (to this area) and lend experience to those who would

like some assistance. So now is the time to get your boat off the lift and take her fishing.

MARCH 16TH is the St Patty's Day Picnic with Sister Kate as the entertainment. It's one of our best events! NOTE NEW DATE MARCH 16TH

Chefs prepare your condiments! Our second annual chili cook-off is coming in April. This year there will be limited

contestants, so when its announced sign up fast. Don't be left out if you think you make tasty chili.

The rumblings have started. THE REDFISH RODEO IS OFF AND RUNNING, so get your fishing partner lined up for this massive event coming in October. REDFISH WEEK begins October 17th.

One final note for the Kayakers. Hang in there; we will have future outings. Joe Perino is having a Buddy Trip on March 11th. Contact him for details.

As always your input is important to me, so should you have any suggestions or comments please feel free to email them to me at marcofish@comcast.net

Remember: **You can't catch fish from your couch, go fishing!**

See ya' at the bait shop. *Pete*

March Meeting
March 3rd

Recent Catches

Since Grouper season is closed until at least April 1, we have included a photo of some Red Grouper caught in January before the season closed. From left is Ron Linn, Ed Brown and Jim Mueller. Jim's 31-3/4" fish beat Ron's 31" fish. They were caught on Joe Caffarelli's boat on Jan 30th.

Nice Catch!

If you have photos and info of recent catches, please forward to David Rasmussen at drasmussen@mdaturbines.com.

Speaking of a Nice Catch, check out this **Octopus!**

It was caught by Jerry DeLaurentis on Dick Larson's boat. This is the second one he caught on Feb 1st. He let the first one go and after moving five miles, he caught another one!

February Buddy Trip Happening

Buddy trips are a way for people with and without boats to enjoy fishing together. The February Buddy Trip went very well til trip home. Six boats went out in warm temperature and light winds. We caught sheepshead, whiting, silver trout, speckled trout, redfish, lady fish, flounder and of course, some catfish. The only drawback was that at the end of the day the fog rolled in as thick as pea soup. It was very tough coming home.

That evening we had 29 people for cocktails and dinner at Cocomo's.

The next Buddy Trip is on March 11, 2011.

Fish either gulf or backwater, anytime, for any species. Fish must be caught on hook and line within 60nm of Marco, no charters, and use of guides is prohibited. All fish must be either boated, or immobilized alongside the boat and measured with a tape or ruler. Swim by guesstimates are not accepted. Fish are to be measured either with pinched tails or fork length as per FWC size limit rules. Fish not specified as pinched length will be measured to fork length (e.g. shark).

Use of the website is the preferred reporting method since it will time stamp all entries and automatically send you an email confirmation.
