Dedicated to Safe Fishing in and Around Marco Island

President's Message for February 2019

Hello Everyone,
By now our season is in full swing and our best events are about to happen.

Starting in February we have some great events that are not to be missed. The speaker for the February meeting is Rob Modys, a local radio host. As a returning speaker, Rob has been one of the best and informative speakers we have had on local fishing.

Back by popular demand and for the 13th year our club picnic is Febrewfest 13, a great picnic which is not to be missed.

Also, in February we have the Sheepshead tournament, which by the way, has become our largest fishing event. Look for details in the newsletter and at the meeting. Time is running out to sign up.

The fun continues in March. Back by popular demand is DEAL OR NO DEAL. This event will be held on March 7 at the YMCA basketball court and will be in leu of our regularly scheduled meeting. I would like to encourage you to reserve a table for a small fee of 10 bucks to sell some of your prize fishing and boating equipment at this MSC tag sale. Please contact me for any additional information.

March will also bring our BAITING BEAUTIES TOURNAMENT. This event is growing every year so it's time for the ladies to gear up and get ready to compete. This will happen in mid-March; look for the details at the February meeting.

Phil, our newsletter editor, has brought to my attention that we need more pictures of our catches. So please after landing the "Big one" take a picture and send it in for all to enjoy. If you send it to me and I will forward to Phil.

Our membership period is coming to a close for the year. If you haven't sent your renewal in, please do it now. Remember: If it's too cold and windy to fish, get a pal and go to breakfast

See ya' at the bait shop. Pete A

PS. Please help our club to be even better. Please email me any thoughts you have for future speakers or fishing events. We are always looking for ways to improve.

Buddy Trip

January 14, 2019

The outing consisted of eleven boats and 35 anglers. The weather was beautiful with gentle winds but low tides with dirty water. We fished a few different spots from Coon Key, Sugar Bay and the surrounding areas. We stayed in the channels since there seemed to be a shortage of water.

The catch consisted of many fishes including redfish, bonnethead shark, ladyfish, silver trout, whiting, snapper, and of course, some feisty catfish. There was a large catch of whiting and silver trout caught on this trip. Some considered it a good warm up for the Whack a Whiting III event coming up this week.

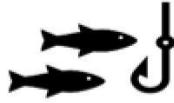

As usual, the trip ended with 50 people for cocktails and dinner plus 3 people for only cocktails to enjoy a great social event at the Moose. It was a magnificent Marco day fishing and dining with such wonderful friends.

The next Buddy List Trip will be Monday, February 25, 2019.

If you have any questions/comments or wish to be added to the Buddy List contact Joe Perino rivpress@aol.com

Whack a Whiting III

January 21, 2019

The day was quite chilly with moderate winds but it didn't stop our anglers from trying to catch the elusive whiting. The event had 53 anglers on 19 boats signed up. Three boats did not fish because of the weather. However, many fished the "secret spot" and were rewarded with an abundance of fish.

That night 88 people attended a party at Joe Perino's house for food and spirits and to see the winners receive their prizes. It was a great event with wonderful camaraderie among friends.

The winners were based on a total number of inches using three fish:

1st place: 36.5"

Captain Mark DeLauro. Crew Charlie Schwalje

2nd place: 36.25"

Captain Victor Ordija. Crew Bobbie Ordija

3rd place: was a tie 35.75"

“Pompano Pounder Results”

On Thursday morning the 17th, 52 anglers on 21 boats were greeted by brisk winds, and chilly temperatures for the start of the Pompano event. The team of Ed brown and Sharon Weathers landed 3 Pompano for 1st place in the team category.

Cathy Erickson landed an impressive 17” pompano, taking 1st place in the individual category.

Kayak Fishing in Hell's Gate

January 19, 2019

Seven kayakers set out to fish the Hell's Gate area on a day where the tide was exceptionally low. Goodland Bay had very little water and the group paddled over into the Hell's Gate channel and were rewarded with an abundance of Redfish, Snook and Trout. Six of the seven kayakers that participated in the event recorded a Marco Slam; which means catching a Snook, Redfish and Spotted Seatrout. Mike Larsen had an amazing day catching 35 Redfish from one area alone. Most of the Reds were undersized, but some were in the slot.

Ken Robertson caught a 25" Snook in this event; the largest fish caught that day. Winds picked up later in the morning and kept most of the group from fishing Palm Bay. Most of the fishing action remained in the Hell's Gate channel.

BAITING BEAUTIES VI

This popular event is back for 2019! Last year saw a record number of Lady Anglers participate in a fun day of backwater fishing and the awards picnic at Sarazen Park. Despite some unfavorable fishing conditions, our volunteer captains and crew were able to put our “Beauties” on some prize winning fish along with lots of great stories of how they caught them! This year’s event will be held on March 11th and 12th – captains have the choice of

fishing a 4 hour window on one of these two days. The Awards Picnic at Sarazen Park will be on Wednesday, March 13th. There are links to additional Information, Rules, and the Entry form in this newsletter. You can also sign up at the Baiting Beauties table at the February 7th General Meeting. The entry deadline is February 21st

This is the **ONLY** MSC sponsored event that is

dedicated to our women members so don't miss out! It's fun, stress free, and a great opportunity to get out on the water. Whether you are an experienced angler or just a beginner who wants to learn what sportfishing is all about, you will have a great time!

Update from the Editor January 2019

I hope everyone has checked out Pete's Tackle Box regarding all the up coming events, fishing, (hopefully CATCHING), picnics, and special meetings. Lots' of information. The weather and the waterways, Island fishing areas, and offshore waters all improving. Thank You Mother Nature.

The Water Advisory Committee (WAC) is also changing with new members starting in February. Hopefully, they will be getting to work on; Sampling Protocol, Swale Repair, Artificial Reefs and other problems which effect Marco Island waters. I would appreciate hearing back from MSC members regarding their thoughts on what MSC can do as a club to "push" the water quality issues. Also what each of us could do as individuals/Volunteers; such as monitoring outfalls and retention areas, offshore and/or backwater sampling/reporting etc.. I am hope to be starting a "Water Quality" column in the Newsletter soon, so your input would be very helpful.

Finally, I am always looking for interesting pictures with an accompanying "Fishing Tale".

Send them to me as well as any other comments at pfwanzenberg@yahoo.com.

Baiting Beauties 6 - Ladies Fishing Event
March 11th, 12th and Picnic March 13th 2019

In 2014, the “Baiting Beauties” Ladies’ Fishing Event was created to encourage more women’s participation in the Marco Sportfishing Club, educate female members about boating and Sportfishing in and around Marco Island and have FUN!

The past 5 events have been tremendously successful and now we’re planning “BB6”! The 2019 event will offer a choice of 2 days for our Beauties to get out on the water and fish with their captains and crew, with the picnic and awards to be held on Wednesday, March 13th at Sarazen Park.

Women of all skill levels are invited to participate, from complete beginners to women anglers who appear on the Club’s Leaderboard competing with the men. Captains and crew will be there to mentor, teach or just stay out of your way!! And, you don’t have to bait your own hook or unhook fish unless you want to!

Here are the details:

Format – Volunteer Captain with a boat, lady angler(s) and crew. Prizes will be awarded to individual anglers based on their catch – this is not a team event.

Fishing - Pick **ONE** of two fishing days – Captains may choose any **4 hour time period—lines in and lines out - on the following dates:**

Anglers may fish Monday, March 11th
low tide 9:53 AM (.74 ft), high tide 3:48 PM (2.70 ft)

Anglers may fish Tuesday, March 12th
low tide 10:19 AM 1.02 ft), high tide 4:19 PM (2.69 ft)

The awards picnic will be held at Sarazen Park on Wednesday, March 13, from 4:00 PM to 6:30 PM. The picnic is **BYOB** (Bring Your Own Beverages!) - Food is provided by MSC.

Please sign up now for "Baiting Beauties 6" if you are:

- a female would-like-to-be Angler
- a male boat Captain with a boat
- a male boat Crew member
- a friend/supporter of the Baiting Beauties who wants to follow the happenings and attend the picnic (a friend is an invited guest, whether Club member or non-member).

Picnic fee for crew and MSC member friends is \$10.00. Picnic fee for non-member crew and friends who would like to attend is \$15.00. **Angler picnic fee is included in their entry price and captains are free!**

All entries must be received by February 21, 2019.

4. **Fishing License:** A State of Florida saltwater fishing license is required. A license may be obtained at Ace Hardware Stores, Walmart, local marinas and on the FWC website. **PLEASE NOTE** - To keep a legal size Snook a Snook Permit (\$10) must be purchased with your FL saltwater license. You may catch, measure and release a Snook without a Snook permit. *If you are a Florida resident and are over 65, you do not need a fishing license or a Snook permit. However, you are required to have proof of residency and age such as a driver's license*
5. A signed and dated **WAIVER, RELEASE AND INDEMNIFICATION** form is required to be on record for *all non-member anglers and crew* who will be aboard a boat on either day of the event. Forms are available from Chris Laimbeer 248.935.0457
6. **Backwater Fish Species:** For this event, participants will target the following six backwater fish species by size: **Pompano, Redfish, Snook, Spotted Seatrout, Mangrove Snapper** and **Sheepshead**. These fish species caught should be identified, measured and recorded on the official tally sheet. *An undersized fish is eligible to be measured and recorded but must be released alive.* There is a category for **Whiting** and **Silver Trout**. These species are counted only by the number caught – they do not need to be measured.

One “Other” category consisting of **Catfish** and **Ladyfish** combined is also included. Participants that catch these two species need only to count the number of fish caught.

7. **Fishing Boundary: MSC Backwater boundaries apply.** The approved fishing area are the backwater boundaries established by the MSC Fishing Committee:
 - Northbound:* Gordon's Pass
 - Westbound:* three nautical miles into the Gulf including Gullivan Bay
 - Eastbound:* west of US Highway 41.
 - Southbound:* For this specific fishing event, the South boundary will be Camp Lulu. Fishing for *Baiting Beauties 6* is allowed around Camp Lulu, but not past it. **Once past Camp Lulu you are in Everglades National Park – the Park is out of bounds.**
8. **Leaderboard Fish and Fish of the Month (FOM):** Any fish caught by female participants that are eligible for entry in the MSC Leaderboard or Fish of the month (FOM) must be aligned along a ruler with the entire fish visible and photographed as required by MSC rules.
9. **Measurements:** Measurements of fish caught by female participants will be the responsibility of the Captains and will follow appropriate FWC regulations. *Please ensure that all undersized fish that are measured are released alive!* Measurements are to be recorded in ¼ inch intervals on the official tally sheets. Circle the largest fish of each caught fish species. **Again, Whiting, Silver Trout, Catfish and Ladyfish need only to be counted and NOT measured!**
10. **Reporting:** Completed tally sheet information must be emailed to Chris Laimbeer chrislaim@comcast.net by 9 PM on Tuesday, March 12th.
11. **Awards:** Awards will be determined based on largest fish measured in each backwater fish species category and number of combined fish (Whiting/Silver Trout, Catfish /Ladyfish) caught in the “Other” categories. Only one award will be given to individual female participants. In the event of a tie, awards will be combined and split.
12. **Inclement Weather:** Safety is paramount for all MSC sanctioned events. Captains will be responsible for monitoring the weather conditions on their chosen day of fishing. **If the weather on either day of fishing is deemed by NOAA to be unsafe and Small Craft Advisories or Warnings are issued, no fishing will be allowed until these weather alerts are lifted or expire.** Wednesday, March 13th between 9:30 AM to 1:30 PM will be the backup day **only** if fishing needs to be cancelled on Monday or Tuesday. The picnic at Sarazen Park, however, will be held rain or shine!!
13. **Miscellaneous:** Remember to bring your hat, sunglasses, sunscreen, drinks and snacks. Most of all enjoy your day on the water and the company of great friends. Our MSC Captains are the best. This event would not be possible without their participation, their love of fishing and knowledge of the water. We wish you a fabulous fishing day and wonderful memories of the *Baiting Beauties 6* fishing event!

CURRENT PICNIC PARKING RULES

Beginning in October 2016, MICA no longer issues stickers for vehicles, rather requires that vehicles have a person aboard with a current MICA membership card. In the past, as a courtesy to the club, they had allowed club members without MICA membership to park in the lot if they were attending the picnic. However, due to complaints from MICA members that the lot was full during picnics, we no longer have that luxury.

Please be aware that the fine for parking on a swale within the vicinity of Sarazen Park is \$95.

HOW TO PARK FOR PICNICS:

- 1) Marco Island residents can purchase an ID card at the MICA office (above the Mutual of Omaha Bank on San Marco and S. Barfield) for \$140. You will need a tax bill or homeowners insurance policy with your name on it. <http://www.marcocivic.com/applications/> The ID for your wallet (or on a lanyard) allows you to park any vehicle in the lot. However, it appears that the ID card does not replace the old sticker, ie. you can't let someone else drive your car, they will look at your card to make sure you are in the vehicle. Also, MICA has been leaving notices on cars (including convertibles) that the card must be left on the windshield (not on list of 27 rules or on MICA website). Be aware if someone steals your ID card for following this dumb rule, it will cost you \$25 to replace it. Maybe leave a copy of your card on the dashboard instead?
- 2) Get a Collier County beach sticker from the library or Caxambas boat ramp, and park in the Collier County parking lot, which is adjacent and east of the MICA lot. You cannot park in the MICA lot with this sticker. The stickers are free to Collier County residents, but you need your car registration. Note that in season on very nice days, the Collier County lot could be full by mid-morning. *
- 3) Pay the fee for parking in the Collier County parking lot of \$8 (correct change required). *
- 4) Find a ride from someone who has a MICA card.
- 5) Be aware that MICA rule #15 states: "MEMBERS MAY NOT SHUTTLE GUESTS. MEMBERS MAY ENTER ONCE WITH UP TO FIVE PERSONS ONLY".
- 6) Park at a friend's house/condo that lives within walking distance. I'm not allowed to say who they are (we have many) but you can check the roster. Maybe buy him/her some beers at Happy Hour.

* The Collier County rangers who sometimes patrol the Collier County parking lot, have been telling picnic goers that the lot is for "beach parking only" and not for attending picnics (I doubt if this has been tested in court). So if you park there you should appear as if you are going to the beach. Passing chairs over the fence will probably get you busted. Because of liability issues, **ANYONE CLIMBING OVER THE FENCE WILL BE EJECTED FROM THE PICNIC WITH NO REFUND.**

Note: These are these that latest rules as 1/23/2018. See the date-stamped [CURRENT PICNIC PARKING RULES](#) for any changes.
