<http://www.marcosportfishingclub.com/> Keith Wohltman – President

Dedicated to Safe Fishing in and around Marco Island

President's Message for July 2022

Summer “officially” began last month on June 21st, however, the rainy season associated with “summer” came earlier in the month. Anglers need to plan accordingly when they schedule their days on the water. Always check local weather forecasts and install weather and radar apps on your phone.

For those of you who missed the general meeting on June 2nd, our speaker was Athan Barkoukis, the Executive Director of Friends of Rookery Bay. Athan provided us with a very detailed update on the activities conducted at Rookery Bay. Most of the inshore waters we fish are part of Rookery Bay's area of responsibility. It was a very informative meeting and if you have not been to Rookery Bay's Environmental Learning Center, or have not visited there recently, I encourage you to do so in the future.

A significant number of MSC members participated in a Florida Fish and Wildlife Conservation Commission (FWC) “Redfish Workshop” on June 8th that was held at Rookery Bay Environmental Center. The FWC presentation focused on their proposed changes for redfish regulations. They have proposed nine management zones and will have Redfish regulations tailored to the fishing reports from those areas. We believe our concerns were communicated and that some positive changes will be forthcoming on the Redfish front. One change that will be a positive is the end of the “catch-and-release” regulations for those areas to our north on or about August 31st.

In early June we enjoyed the annual “Steak Picnic”, and John Baker did an outstanding job purchasing the steaks. John, Ron Linn, Jersey, and Ed Vesely grilled the steaks to perfection. This was Dave and Susie Walsh's final club picnic for 2022, and it was held on a perfect Florida Spring afternoon. Thanks go out to all who helped make the event special; from those who made salads and baked potatoes, our grilling team, our servers, and helpers, but especially to Dave and Susie!! Be sure to check out the photos from the picnic on the club website.

On June 10th we held the “Hook that Snook” event for our backwater anglers. It was a challenging event for some but a fun event for all. Be sure to read Ron Linn's report in this edition.

The 11th annual “Triple Crown Tournament” kicks off on July 1st. The four-month long event is once again sponsored by the Compass Group at Morgan Stanley. The early-bird registration fee ended on

June 30th, but you can still sign-up for this challenging competition through August 31st. Check out Dave Schott's flyer in this edition. Remember you can register for this event by using your credit card.

Our July membership meeting will be held on Thursday, July 7th at St Mark's Parish Hall at 7:00 PM. Doors open at 6:30 PM. The meeting presentation will be "All About Sharks" as a lead-in to the "Man Bites Shark" event on July 14th. If you haven't fished in this event, you owe it to yourself to sign-up and have a fun day fishing for sharks. The waters around Marco hold plenty of these apex predators and they are exciting to catch. Also, if you have never tasted grilled shark, you will have an opportunity to try it at the "Man Bites Shark" picnic. It is really very tasty! However, if you prefer regular picnic fair, there will be hot dogs and hamburgers in addition to shark on the menu. The "Man Bites Shark" picnic is open only to those MSC members who participate in the shark fishing segment of the event, their spouses, and their guests. Plan to fish the event and enjoy the picnic. This tournament is sponsored by Guy Riordan a prominent realtor on Marco Island and shark fishing enthusiast... as well as a member of MSC.

Offshore we continue the "Offshore Slam, proudly sponsored by Rose Marina" but the registration period for this event ended on June 30th.

Don't forget we have the monthly Fish of the Month (FOM) contest, and you can enter your catch for the leaderboard. July's FOM is **Mangrove Snapper**.

We have reached the midpoint in 2022 and it is time to seek some new personnel to step-up and help run the club. We are actively seeking members to prepare the PowerPoint Slides we use at our meetings, and someone to take on the email communication role. We will have openings for both Board Members and Activity Leaders in 2023. Many of the members currently running the club - for you - have been doing so for years, and it is time for some of you to step-in to help. We can always use new ideas to keep the club moving forward. Look at the list of members currently running the club at the end of this newsletter, maybe one of those roles would be of interest to you.

If you can - get out and fish!!

Tight Lines

Keith

August General Meeting Invasive Species

First Thursday of the month!

August 4th - at 7:00 PM

St Mark's Parish Hall

Quartermaster Table

Sign Up Tables

50/50

Doors open at 6:30 PM

Mike Sipos, Florida Sea Grant Agent, UF/IFAS Extension Collier County will present information about invasive marine creatures in Southwest Florida.

Waterway Advisory Committee

Update by Phil Wanzenberg

This report focuses on the recent Marco City Council meeting that reviewed the Harper Report on May 23rd.

Click the link to go to the City of Marco Island website to obtain a copy of both the Harper report and the PowerPoint presentation presented at the meeting by the members of the W.A.C. [Harper Report \(https://www.cityofmarcoisland.com/bc-wc/page/nutrient-source-evaluation-project-dr-harvey-h-harper-iii\)](https://www.cityofmarcoisland.com/bc-wc/page/nutrient-source-evaluation-project-dr-harvey-h-harper-iii)

The Council knows that re-use water contributes to our problem but refuses to act. Our neighbors have upgraded their treatment plants, so why have we ignored the issue?

Meeting highlights:

- Council paid \$150,000 for Harper Report and essentially ignored it.
- Council paid \$45,000 for Jacobs Report to contradict some issues in the Harper Report – main difference is concerning nutrient content in re-use water as major water quality issue. Jacob noted that surrounding waters are similar in nutrient content as channel, bay and river water.
- Re-use water is a valuable commodity to the city provided it has nutrients.
- Jacobs main point was the nutrient content in surrounding water is the same as in Marco channels, therefore re-use water does not affect water.
- Jacobs solution:
Channel waters need mechanical aeration to increase DO level
“Dead” water zones need increased tidal circulation
Also need to work with other communities and Federal/Florida agencies to improve water quality in surrounding waters (Tampa to Keys?)

Related Issues

- Fertilizer enforcement, licensed applicators
- Roof and pool runoff directly into channel enforcement
- Create more permeable surfaces, driveways, pavement areas and swales
- Ban fertilizer use year-round
- New Stormwater Department

The Coastal Breeze also reported on the meeting [Joint Workshop Focuses on Marco's Water Quality](https://www.coastalbreezenews.com/news/city/joint-workshop-focuses-on-marco-s-water-quality)

Offshore Update – July 2022

What's Happening Offshore...

The summer weather pattern has arrived, look for calmer winds and hotter temps (in and out of the water).

ARS (American Red Snapper) season opened Friday June 17 and closes July 31. Several anglers have made the journey 80-90 miles to target these fish and have been rewarded with quick limits of nice sized fish – see photo below of Captain Jeff Lopez with a nice one. There are also 5 weekends in the fall season – Oct 8-9, 15-16, 22-23, Nov 11-13 and 25-27. Go get em!

Red Grouper are being caught typically in 100-120' of water, continue to get reports of nice catches typically in the deeper water. Lots of short fish around in shallower water, expect them to start moving closer with the warming water.

Snapper are out there on the wrecks and ledges at all depths and will be spawning June / July. Several limits and near limits have been reported and the cuda seem to be a little slow of late – reel as fast as you can until the fish is in the boat or it will be “upgraded”. Some Cobia are still around but the migration has passed us until fall. African Pompano & AJ's are around structure. Permit are here, try the wrecks and reefs with higher relief and towers, they usually cannot resist a live crab.

Pick a calm day and get out there and have some fun...and be safe.

Offshore Events...

MSC Offshore Slam 2022, proudly sponsored by Rose Marina

THE LAST DAY TO SIGN UP IS JUNE 30...DON'T MISS OUT!

Please show your appreciation to the great team at Rose Marina by giving them your business, and use your MSC membership card to get your club discount on fishing tackle / bait too.

Current standings are attached.

Super Grouper Fall 2022 – Will be held in December, details to follow in coming months.

Other Important Stuff...

Check out the Offshore Fishing reports on the MSC website, they are on the Offshore Homepage.

Offshore Captains – Offshore Fishing Report submissions have started to come in again, thank you. Don't forget to send me your Offshore Fishing Reports and photos of any remarkable catches when you return from fishing!

If you fish offshore and want to be added to our offshore email distribution, please send me a request via the link on the Offshore Fishing homepage and I will gladly add you to this exclusive team.

If you have any ideas, or want to volunteer to help with offshore events, feel free to contact me anytime.

Tight Lines!

Jim

Captain Jeff Lopez with one of his limit of ARS caught opening day June 17 – check out his fishing report in the Offshore Fishing Reports on the MSC website.

Triple Crown Tournament

July 1 to October 31, 2022

Registration opened June 1

The Triple Crown Tournament is a fun, challenging, and competitive contest. The goal is to catch a Tarpon of 30 inches or more, and the largest Redfish and Snook over a four month period. It is also very relaxed as it allows the angler to fish at her or his own pace. The angler can fish at any time, day or night, anywhere within the backwater boundaries established by Marco Sportfishing Club, and with any other angler (*no professional guides*) or alone. Seven BIG cash awards will be given out at the end of the contest. The winner will also have her/his name engraved on an individual nameplate attached to a perpetual trophy plaque that is displayed at the Compass Group at Morgan Stanley, the local sponsoring firm.

The registration fee is \$20 if received on or before June 30, 2022

\$25 if received after June 30 until August 31, 2022

No entries will be accepted after August 31, 2022

Interested anglers can sign up in one of three ways:

1. On the MSC website payable by credit card (*preferred and easiest*)

OR

2. At upcoming MSC General Meetings

3. By sending a check (payable to MSC) to **Marco Sportfishing Club, P.O Box 2104, Marco Island, FL 34146-2104** (not 34145). Please write "Triple Crown" in the note field on your check and include your contact information (e-mail and telephone number) on a separate piece of paper if it is different from the contact information you provided for the annual MSC membership registration.

**Captain's Meeting: Thursday, June 30th, 4:00 PM
@ The Sandbar**

Tournament rules are available on the MSC website (<http://www.marcosportfishingclub.com/MSC-ClubBoundaries.htm>). Marco Sportfishing Club 2-Line Rule (January 1, 2019) and Catch Verification Rules (January 8, 2019) will apply.

Get Ready for MSC'S Annual

“Man Bites Shark Event”

This year's “Man Bites Shark Event” features the opportunity to experience exciting shark fishing, the chance to win one or more cash prizes totaling \$500, and a picnic featuring grilled shark fillets and other picnic favorites. *The “Man Bites Shark” picnic is open only to those MSC members who participate in the shark fishing segment of the event and their spouses and their guests.*

“Man Bites Shark” Schedule of Activities:

* **Talk Shark** – Tuesday, July 12th, Captains' Meeting at the Sand Bar-3:00 PM

* **Catch Shark** – Wednesday, July 13th, fish the Mud Hole or another location of your choice
(Thursday, July 14th, backup due to weather).

* **Eat Shark** – Friday, July 15th, at Sarazan Park, 12:00 noon. Picnic fee \$5 per person includes Shark entrée, hamburgers, hot dogs, beans, slaw, potato, salad, etc. BYO drinks.

Sign up for the event at the June or July General Meeting, at the Captains' Meeting, or by mailing the July 2022 “Man Bites Shark” Registration Form and check payable to MSC to:

Paul Milici, 1615 Santiago Circle, Naples, FL 34113

Member Privacy Statement

Marco Sportfishing Club's Board of Directors has established a privacy policy concerning the distribution of its members' contact information. For security and confidentiality reasons...phone numbers, email and physical addresses will be distributed only to MSC board members and event leaders. The club roster will never be sold or provided to any individual member, sponsor, outside organization or business.
