Dedicated to Safe Fishing in and around Marco Island

## President's Message for September 2022

September already? Wow this year is flying by. Seems like only yesterday we were finishing up the Sheepshead tournament and looking forward to Baiting Beauties 9.

August was a fairly quiet month. Hot days and stormy afternoons made fishing in the 10,000 Islands an adventure. Sweltering heat in the backwaters and always keeping an eye on the weather, but we did have several days with calm waters offshore. Some decent size fish were caught offshore, and reports of limiting out on Red Grouper east of the towers seem to point toward an improvement in the water quality west of Marco.

Our backwater anglers did venture into the 10,000 Islands in search of Redfish, Sea Trout and Snook in the always challenging "No Bait" event. Both kayakers and boaters competed to catch the largest fish of those three species.

The kayak group also fished in Chokoloskee Bay targeting the same summer species. Read about their adventure in this edition.

We have reached the midway point in the "Triple Crown Tournament" and put the 8<sup>th</sup> month of our Offshore Slam in the record books. The "Triple Crown Tournament" has seen very few Tarpon registered but three members have caught all three species and now have two months to increase their total points. Registration for the "2022 Triple Crown" closed on August 31<sup>st</sup>.

Speaking of closing... both the FWC and NOAA Fisheries announced the closure of Red Grouper season on August 30<sup>th</sup> at 12:01 AM. This means Red Grouper can not be harvested in both state and federal Gulf waters. The closure will be in effect until January 1, 2023.

September 1<sup>st</sup> is when the new Redfish regulations go into effect. In our "Southwest Management Zone", we can harvest one legal sized Redfish per angler on a boat, up to a bag limit of two fish per boat. Catch and release for Redfish in waters to our north ends on August 31<sup>st</sup>, and a similar set of regulations take effect in their management zone. Both the reduction in the boat bag limit and ending the catch and release regulations should benefit our Redfish population. The catch and release restrictions for Snook also end on August 31<sup>st</sup>. Snook season will open on September 1<sup>st</sup>. Our backwater anglers will look to catch both of those species in the "Snook and a Redfish" event.

We will not hold a general meeting in September. In its place we will hold the annual Smoke Pork Cook-Off Picnic on September 8<sup>th</sup> at Sarazen Park at 4:00PM. Join us for a great picnic and the famous Chef's challenge. Who will be named the "2022 Best Chef"

September begins our 2023 New Member open enrollment period. Any new member signing up after August 31<sup>st</sup> will become a member of Marco Sportfishing Club for 2023 – and additionally, will enjoy the benefits of membership for the remainder of 2022. Dues renewal for existing members begins on November 1<sup>st</sup>.

Taking a quick look ahead to October – we will hold our two big Redfish events. The Redfish XVII Team event and the Redfish Two-Man event. We will hold a general meeting at St Mark's parish Hall on October 6<sup>th</sup>, and this meeting will feature another presentation in our "Speaker Series", Captain Rodney Raffield of Everglades Backcountry Experience. Capt. Raffield will talk about backwater fishing techniques. This presentation will also include a raffle for a fishing charter with Captain Raffield.

In October we will begin the registration process for the 2022 MSC Holiday Party. The gala event will be held at Eagle Creek Country Club on December 8<sup>th</sup>. Look for the flyer in this edition

If you can – get out and fish!!

# Offshore Update – Sept 2022

## What's Happening Offshore...

ARS (American Red Snapper) - If you missed the summer season, or want to catch more ARS, there are 5 weekends in the fall season – Oct 8-9, 15-16, 22-23, Nov 11-13 and 25-27. Go get em!

Red Grouper will be closed to recreational anglers and for hire vessels from Aug 30, 2022 through Dec 31, 2022 in state and federal waters. By the time you see this newsletter season will be closed...I hope everyone got their fair share this year. I do not recommend catch and release for these fish during the closed season due to the potentially high mortality rate due to barotrauma, let them be and they will be plentiful when the season re-opens.

Snapper are out there on the reefs, wrecks and ledges at all depths. There have been some nice snapper caught of late with many in shallower water (50-90') near reefs / wrecks. Be aware of predators, reel as fast as you can until the fish is in the boat and do not let it linger in the water near the boat or it will be "upgraded". Some Cobia are still around but the migration has passed us until fall. African Pompano & AJ's are around structure. Permit are here, try the wrecks and reefs with higher relief and towers, they usually cannot resist a live crab.

Pick a calm day and get out there and have some fun...and be safe.

## Offshore Events...

### MSC Offshore Slam 2022, proudly sponsored by Rose Marina

We have 27 anglers signed up and some great prizes, don't forget to measure / photograph your catch and email them to me for entry. Current standings are attached. We have 2 anglers that have completed their Slam and several others that are close...it's going to get very interesting and competitive as we enter the final 4 months of the tournament fishing window!

Please show your appreciation to the great team at Rose Marina by giving them your business, and use your MSC membership card to get your club discount on fishing tackle / bait too.

**Super Grouper Fall 2022** – Will be held in December, details to follow in coming months.

## Other Important Stuff...

Check out the Offshore Fishing reports on the MSC website, they are on the Offshore Homepage.

**Offshore Captains – Offshore Fishing Report submissions have started to come in again, thank you. Don't forget to send me your Offshore Fishing Reports and photos of any remarkable catches when you return from fishing!**

If you fish offshore and want to be added to our offshore email distribution, please send me a request via the link on the Offshore Fishing homepage and I will gladly add you to this exclusive team.

If you have any ideas, or want to volunteer to help with offshore events, feel free to contact me anytime.

Tight Lines!

Jim

# TRIPLE CROWN TOURNAMENT UPDATE

By Dave Schott

On the bright side there were 14 fish entries posted in July and similarly 13 for August however the last few days of August have been slow - only 4 entries since August 15th. The "dog days" of hot & humid weather are upon us. Water temps pushing 90 degrees (or more!) are a solid indicator that either the fish or the anglers are seeking a cooler spot. A strategy of early morning or evening fishing has been recommended

by many of our tournament participants. Like the weather the standings are also heating up. Ken Robertson and Al Jennings have taken over the 1st and 2nd place spots, followed by Ed Brown and chased closely by Chris Hutchings, Brian Alexander (shown) and Skip Endicott. A tarpon for Brian or a redfish for Skip could shake up the standings even more! There are currently 38 anglers vying for a "money" spot in the top 5 or for the largest snook or redfish outside of the top 5. It only takes a few big fish that are hungry and not so smart to put you in contention. Although, succeeding or not won't impact upon the fun and excitement that we'll share along the way. Tight lines my friends!

For more information about the Triple Crown Tournament and Standings Updates go to the MSC website or email [mscstriplecrown2022@gmail.com](mailto:mscstriplecrown2022@gmail.com)

# **REDFISH XVII**

**October 11th Or 12th**

The **Redfish** are Coming

It is time to signing up for our premier Fall Blackwater event. Get ready for another exciting contest. This year we will be fishing either October 11<sup>th</sup> or 12<sup>th</sup>. Only one of the two days will be fished, and that day will be pre-selected by each Boats Captain and Crew, just like last year. Once again you will find the \$30 signup fee a great deal for an event and picnic.

We will be counting the Total NUMBER of Redfish, Snook and Trout caught by each of the two teams to select the winning Team and Winning Boats. Being primarily a Redfish event, each Redfish will again be counted twice. Having all three species involved last year made the event more exciting. Counting each fish (no matter size) should allow for quick boat side releases and minimize fish handling. Let's be honest, our fish need every break they can get. We will be measuring, photo'ing and reporting keeper fish for the Largest and Second largest fish prizes. That worked well last year. We urge you to only keep legal fish that you will eat soon.

We will be having a Captains meeting for this event (Oct 10th) and the after-event Picnic at Sarazen Park on Oct 14<sup>th</sup>. The place of the and the timing of the Captains meeting will be announced in early September. At that time, we will be paying for the Guests we wish to have join us at the picnic. Remember, the Redfish Two Man "Pro" event contestants are included in the Picnic and will be signing up their Guests as well. This year the Two Man (PRO) event is the week after the Redfish Team event.

I have taken it on as my personnel goal this year to change the content of the Goodie Bag each participant gets. Don't be surprised if it's something you can use. Last year we had

one of the most competitive events that we have had for some time, I am hopeful that this year we can have even more fun. Lots of husband and wife teams as well as couples fishing with friends signed up last year. We can all use some friendly competition and a challenge rather than hiding out.

So, get your gear out of the closet, oil your reels, replace that four-year-old line and sharpen your hooks. It is time to give your fishing buddy a call, form your crew and send in the attached signup sheet. Remember, the winning team gets their \$30 check back. In fact, your chances of winning in this event is over 60%.

If you don't have a captain and you wish to fish, fill out the signup sheet indicating you are potential crew member looking for a Captain with your \$30 check. I will get your name out to the captains and try to get you hooked up. If you do not get a Captain, I will destroy your check.

So, sign up now, it will really help us run this event more smoothly, Thanks for taking action now.

# No Bait Event

## 2022

There were 18 anglers who participated in this year's "No Bait" event. It was a very hot day with little breeze. Only 4 people reported catching fish. All boats reported the "big one" that got away. We all know how that goes. The prize winners are: Snook --First place \$100.00 Ralph Crowell 27.25"

Second place \$80.00 Victor Ordija 19.5"

Trout - First and Second place \$180.00 Ken Robertson 2 - 16' Trout

Redfish - No one caught a Redfish. The prize money for Redfish will roll into the trout and snook.

Prizes will be handed out at the September picnic.

It should be pointed out that Joe Rykman netted Ralph's nice fish.
